PROJECTS

Cats vs Dogs Classification | Deep Learning [Link](#)

- Tech-Stack:** TensorFlow, Keras, Python
- Implemented CNN and transfer learning with feature extraction & fine-tuning, achieving 95% cat vs. dog classification accuracy.

Email or SMS Spam Classifier | Machine Learning [Live](#)

- Tech-Stack:** Python, Scikit-learn, NLTK, Streamlit, Pickle
- Developed an NLP-based spam detection tool to classify messages as spam or not spam. Deployed with an interactive web interface using Streamlit.

Predict Iphone price | Machine Learning [Link](#)

- Tech-Stack:** Python, Scikit-Learn, Pandas, NumPy
- Developed a regression model to predict iPhone prices based on version data using machine learning techniques.

Alexa Clone | Virtual Assistant [Link](#)

- Tech-Stack:** Python
- Developed a Python-based virtual assistant with voice command support for web searches, YouTube control, and joke generation.

Smart Audio Book [Link](#)

- Tech-Stack:** Python
- Converted eBooks into audio using Python-based text-to-speech technology.

ebayFair | Online shop | Front-End [Link](#)

- Tech-Stack:** HTML, CSS, JavaScript
- Developed a responsive e-commerce front end with product displays, shopping cart, and user authentication.

LEADERSHIP EXPERIENCE

Vice President

Daffodil Institute of IT Programming Club - DPC

August 2023 - June 2024 | Kalabagan, Dhaka-1205

- Led skill development initiatives, including coding sessions and ICPC, to enhance members' technical and problem-solving skills.

SKILLS

Programming Languages: C, C++, JavaScript, Python

Databases: MySQL

Version Control: GitHub

Deep Learning: TensorFlow, Keras, CNN, Transfer Learning

Soft Skills: Teamwork, Leadership

EDUCATION

Daffodil Institute of IT, Dhaka

B.Sc. in Computer Science & Engineering

- 2020 - Expected May 2025

ACHIEVEMENTS & ONLINE JUDGES

Codeforces : [anwar9437](#) (Max Rating: 811)

HackerRank : [anwar200110](#)

ICPC : [ICPCID-PZG7862IDRGJ](#)

CERTIFICATIONS

- Machine Learning Coursera — Issued Apr 2025
Credential ID: [D5C418BF08P7](#)
- ICPC Participation Certificate (2022, 2023, 2024)
- Meta Contest Certificate (2023)
- Phitron Programming Contest (2022)

EXTRACURRICULAR ACTIVITIES

Bangladesh National Cadet Corps (BNCC)

Cadet Corporal | January 2012 - December 2015

- Demonstrated leadership in a disciplined environment, completing training in fitness, teamwork, and problem-solving.
