

MD. ANWAR HOSSAIN

+880 1951 667 696 md.anwar.hossain.cse@gmail.com Dhaka LinkedIn GitHub
Portfolio Codeforces HackerRank

SKILLS

Programming Languages

C, C++, C#, JavaScript (ES6+), Python

Deep Learning & Computer Vision

TensorFlow, Keras, CNN, Transfer Learning, OpenCV

Frontend

HTML5, CSS3, Tailwind CSS, React.js, Next.js

Databases

MongoDB, MySQL

Backend

Node.js, Express.js

Version Control

GitHub

EDUCATION

B.Sc. in Computer Science & Engineering,
Daffodil Institute of IT, Dhaka - CGPA(3.35 out of 4)

01/2020 – 02/2026
Dhaka

PROJECTS

Zap Shift – Parcel Delivery Management System

Tech Stack: React.js, Node.js, Express.js, MongoDB, Firebase Authentication, Stripe

- Developed a full-stack parcel delivery system with **User, Admin, and Rider role-based workflows**.
- Integrated **Stripe card payments** and implemented parcel booking, delivery assignment, and status tracking.
- Built **role-based authentication and access control**, enabling admins to assign riders and riders to manage deliveries.

Hero Kidz – Educational Toy E-Commerce Platform | In Progress

Tech Stack: Next.js, React.js, MongoDB, NextAuth.js, Tailwind CSS

- Developing a full-stack e-commerce platform for **browsing, managing, and purchasing educational toys**.
- Implementing **Google and credential-based authentication**, protected routes, and role-based access control.
- Building **product management, product details, and responsive user interfaces** with Next.js, MongoDB, and Tailwind CSS.

PUBLICATIONS & RESEARCH

"Precision-Vision: A Deep Learning Approach to Ocular Disease Detection and Classification" –
Proc. 2025 IEEE BECITHCON, Eastern University, Dhaka, Nov. 2025.

"End-to-End CNNs for Radiographic Bone Injury Diagnosis" – *2026 IEEE 2nd International Conference on Quantum Photonics, Artificial Intelligence, and Networking (QPAIN), Chittagong, Bangladesh, April 16–18, 2026.*

CERTIFICATIONS & COMPETITIONS

Machine Learning Coursera – Issued Apr 2025 Credential ID: D5C418BF08P7

ICPC Participation Certificate – 2022, 2023, 2024

Meta Contest Certificate – 2023

Phitron Programming Contest – 2022

LEADERSHIP EXPERIENCE

Daffodil Institute of IT Programming Club - DPC, Vice President

- Led skill development initiatives, including coding sessions and ICPC, to enhance members' technical and problem-solving skills.

08/2023 – 06/2024
Kalabagan, Dhaka
